CALL FOR CANDIDATES : ARTIST IN RESIDENCE FOR THE MONTH OF AUGUST

The Pavé d'Orsay's regular programming takes a break during the month of August. The 'Association le Pavé d'Orsay' would like to facilitate the work of a young visual artist or final year student by offering use of the space in August for developing a particular project.

At the beginning of September the artist will be given a 10 day short exhibition, opening hours 13h to 18h every day except Wednesdays and Sundays.

The artist should send a proposal for a specific project: the visual arts committee of the Pavé d'Orsay will select from the submissions received. Submission deadline: 1st December

CONDITIONS :

We only offer the work space for the period: we do not have housing available – applicants must make their own arrangements.

No fee will be required, however a gift is suggested of 20% on sales, to the Pavé d'Orsay.

For the opening, artists can prepare their own invitation cards, or ask the Pavé to do so – charge 70 euros.

Artists can buy their own drinks for the vernissage or ask the Pavé to do so – charge 65 euros.

The work and tools must be cleared into a corner on Saturday evening till Monday morning, since the space is used on Sundays, even in the summer, for other activities.

In September the space becomes multi-functional once again, with evening performances, classes and auditions. For this reason the work must be hung on the walls, and we are unable to accept sculptures or installations.

SUBMISSIONS MUST BE SENT BEFORE 1st December, WITH THE FOLLOWING INFORMATION, TO :
